

Daniele Piroddi

Short Biography

Daniele Piroddi is a Sardinian classical guitarist based in London. His work explores the expressive possibilities of the guitar through a refined performance approach. Daniele release his works through janasmusic.com. He is also the author of *Guitar Fundamentals*, method books for beginners learners that introduces advanced techniques through intuitive, language-free exercises. In 2025, he launched *Serie I*, a collection of original solo pieces for classical guitar. His recent concert program, World Music on a Classical Guitar, focus on modern composers who reinterpret traditional music.
